

Thank you so much to everyone who auditioned! No callbacks are required.

I was blown away by your talent, passion, and poise. Please know that this is just the first of many opportunities for you to get involved at Central. Whether or not you are cast, please stay involved in Drama Club (join the Remind group – info at www.hinsdale86.org), participate in the 24-Hour Theatre Project (in spring), and audition for the many shows ahead. Also, stay involved in *The Complete History of America (abridged)* as a member of crew or production staff. Please see me in room 224 (or email sjaffe@hinsdale86.org) to find out more.

To those cast: Congratulations! I am excited to begin our work together. Please meet in room 224 MONDAY (September 10) from 3:15-4:30 for a meeting to discuss parts and get scripts.
